Daniel,

The transcript is very clear: The judge expects Dr. Torten to meet and confer with Plaintiffs' medical advisor within two weeks of the hearing, and Ryan told the judge that timing would be fine. Please let me know who your medical advisor is so that we can set up the meet-and-confer.

Ryan,

Adding you to this email exchange, in case we should be working with you on this matter (though I believe Daniel told me when we spoke last week that he is handling getting in touch with Plaintiffs' medical advisor).

Happy to work with either of you.

Thanks.

Daniel,

Are you able to let us know who your medical advisor is? Dr. Torten is available to help select a physician to serve as the independent medical examiner, a matter we need to address this week.

Thanks,

Alvin
